SUBJECT: **UPDATE** - SAFETY RECALL (SPECIAL SERVICE CAMPAIGN) – 70F
(TOYOTA CAMRY ALL WEATHER FLOOR MAT ACCESSORY FOR 2007 AND EARLY
2008 MODEL YEAR VEHICLES)

In late September, 2007, Toyota mailed a preliminary owner notification regarding the Safety Recall (Special Service Campaign) on certain optional Toyota Camry All Weather Floor Mats (floor mats constructed from heavy duty rubber). The preliminary notification advised owners that Toyota was designing a replacement Toyota Camry All Weather Floor Mat and that another notice will be mailed to them once the new mat was available.

In late November, 2007, Toyota will begin sending a Safety Recall notification to inform owners the newly designed replacement All Weather Floor Mat for the driver's seating position is now available. The recall campaign involves approximately 24,500 optional Toyota Camry All Weather Floor Mats designed specifically for the driver's seating position in certain 2007 and early 2008 model year vehicles.

The optional Toyota Camry All Weather Floor Mat includes two grommet holes in the All Weather Floor Mat and retaining hooks (clips) to secure the mat to the vehicle's carpet. Toyota has received reports that if the optional Toyota Camry All Weather Floor Mat (either by itself or if it is placed on top of an existing carpeted floor mat) is not secured by the retaining hooks (clips), the mat can move forward and interfere with the accelerator pedal returning to the idle position. ***If the mat is properly secured, it will not interfere with the accelerator pedal.***

**Toyota Camry All Weather Floor Mat
Involved in this recall**

If the Toyota Camry All Weather Floor Mat is not **secured by the retaining hooks (clips)** and the mat moves forward, it may interfere with the accelerator pedal.

The following vital information is provided to inform you and your staff of the owner notification phase of the campaign and your degree of involvement.

1. **Dealer Letter Mailing Date**

The attached Dealer Letter will be sent to all Toyota dealers in mid-November, 2007.

2. **Owner Notification Mailing Date**

Toyota will begin sending the Safety Recall notification in late November, 2007, approximately one week after the dealer notification.

If the vehicle does not have the Toyota Camry All Weather Floor Mat designed for 2007 and early 2008 model year vehicles, it is **NOT** involved in this SSC. However, to assure that over-the-counter accessory sales customers are notified, owners of 2007 and early 2008 model year Toyota Camry vehicles that did not provide a return postcard (provided in the earlier mailing), indicating their vehicle is not equipped with the optional Toyota All Weather Floor Mats, will receive a notification letter.

3. **Region/District Summary Reports**

We have enclosed the following SSC 70F Summary Reports in the Region/Private Distributor (PD) Service Manager/Customer Service Operations Manager/Director of Service package. As the 2007 and early 2008 MY Camry All Weather Floor Mats are an over-the-counter accessory, these reports will be based upon dealership sales of this item.

- Region/PD Summary Report that provides an overview of the entire Region/PD for this SSC.
- A District Summary Report that indicates the number of 2007 and early 2008 MY Camry All Weather Floor Mats sold by each dealership in each district for this campaign.

Please refer to the attached Dealer letter for additional information.

Please review this entire SSC with the appropriate associates so that they may provide the necessary support to your dealers and maximize our combined customer satisfaction efforts.

Thank you for your cooperation.

Do not file a claim if the vehicle is not equipped with the affected Toyota Camry All Weather Floor Mat.
